The project will highlight the knowledge gained of the professional nurse practice role, specialized patient population, and health care-practice setting. NUR 492 and NUR 494 includes 30 hours of practice experience activities. Prerequisites: NUR 492 and permission of the program chair. Offered online.

PHI 445 Personal & Organizational Ethics
In this course, students will examine various ethical theories, economic concepts, and business paradigms. These examinations will serve as the foundation for the analysis of moral problems in business. Students will explore the ethical challenges and dilemmas facing decision makers in business organizations. Students will also consider their own stake in the market as consumers, employees, managers, or small business owners. Offered online and on-campus.

POL 111 Introduction to Political Science (3 credits)
This course is an introduction to the complexity and nuance of Political Science. It explores the political and social dynamics of choice, action, and consequence that underlie and support all political phenomena. Specifically, this course focuses on the why and how of politics rather than the what, in order to provide students with useful, current, and relevant conceptual and theoretical tools for enhancing their critical thinking skills. Offered online.

POL 255 Introduction to International Relations (3 credits)
This course in International Relations is an introductory study of the interactions and interconnectivity of the countries of the world. The course emphasizes the need to think critically about international politics and foreign policy. Consequently, this course focuses topically on how and why wars begin, balances of power between states, international institutions, collective security, international communications, human rights, globalization, regime types, international trade, environmental change, imperialism, injustice,

inequality, and other issues relevant to the changing world. Offered online.

PSY 203 Psychology of Human Sexuality (3 credits)
This course examines various perspectives on sexuality, such as its biological, psychological, social, and cultural dimensions. Topics examined include but are not limited to: male and female reproductive anatomy and physiology of sexual responding; sexual development, behavior, and identity over the life span; and variations in typical and atypical sexual behavior and expression. Emphasis is placed on the human sexual experience as a vehicle for self-awareness, self-understanding, and self-acceptance. Offered online.

PSY 352 Cognitive Psychology (3 credits)
Cognitive psychology takes a scientific approach to understanding the fundamental mental processes involved in everyday cognition. This course covers the topics of perception, attention, memory, and language by examining both classic and contemporary cognitive psychology methods and experimental results. Prerequisites: PSY 101, and PSY 326 (may be taken concurrently with PSY 326) or ABS 311. Offered online and on-campus.

SSC 340 Human Health & Global Environmental Change (3 credits)
This course analyzes the relationship between health and the environment and takes into account how health is influenced by natural and manmade environmental factors. Students will consider the history of the relationship between health and the global environment, addressing how groups in the past understood the connection and the actions they took to improve both. The course will also address contemporary theories that highlight how race, gender, and class influence the relationship between health and the environment. By concentrating on these factors, students will consider the negative and positive influences of the environment on human health as well as possible future concerns and issues that might emerge. Prerequisite: SSC 101. Offered online.

SSC 350 eSociety: Science, Technology, and Society (3 credits)

The eSociety course focuses on the relationship between society, science, and technology and the social dynamics of knowledge production from a social science perspective. The course provides students with an understanding of how social values affect scientific research and technological innovation as well as the transformative impacts of technologies on society. Through discussions of key concepts and case studies, students will explore how particular scientific facts or technologies become accepted, how controversies are settled, and how science and scientists retain credibility and authority. Students will also engage with the social, ethical, and political consequences of technological developments. Prerequisite: SSC 101. Offered online.

Electronic Communication

Email is considered an official form of University-related communication. It is recommended that students check their email daily in order to stay current with University-related communications. Students have the responsibility to recognize that certain communications may be time-critical. Students interested in opting out of email communication should review the following section, *Online Students Consent to the Electronic Delivery of Official University Communications and Records.* Failure to check for messages and failure to receive messages due to full mailboxes, spam filtering, or auto-forwarded email are not acceptable excuses for missing official University communications. ~~Students are required to use their Ashford University-issued email address for official University communications.~~

Students must maintain and provide the University with an email address other than their Ashford University-issued email address. In addition, students may choose to use their Ashford University-issued email address as their primary mechanism for University communications.

~~Online students must additionally maintain and provide the University with an email address for correspondence with University administration and faculty, and students attending classes in the traditional, semester format are required to use their Ashford University-issued email address for official University communications.~~

Nondiscrimination
Ashford University does not discriminate in its education programs and activities on the basis of race, color, creed, national or ethnic origin, religion, sex, pregnancy, childbirth and related medical conditions, marital status, medical condition, *genetic information,* service in the uniformed services, political activities and affiliations, age, disability, sexual orientation, gender identity, veteran status, or any other consideration made unlawful by federal, state, or local laws.

Specifically, Title IX/SaVE requires the University not to discriminate on the basis of gender/sex in its education programs and activities. Gender/sex harassment, including gender/sex violence, is a form of prohibited gender/sex discrimination. Examples of covered acts are found in the University's policies on Sexual Misconduct. *Questions regarding Title IX may be referred to the Ashford University Title IX Coordinator, Poppy Fitch, at titleix@ashford.edu, or 8620 Spectrum Center Blvd., San Diego, CA 92123, 866.974.5700 Ext. 20702 or to the Office for Civil Rights at Office for Civil Rights (OCR), United States Department of Education, Washington DC 20201, and/or a criminal complaint with local law enforcement.*

Specific Policies on Academic Plagiarism
As part of the University's policy on academic integrity, it is expected that students will not submit an assignment that is an exact copy of work previously submitted in another course at any institution. The University understands that work within a discipline is interconnected and expects students, when writing about similar topics, to enhance and refine the content of an assignment as they progress through their program of study. It is not acceptable ~~under any circumstance~~ to *re*submit the exact same copy of work previously submitted ~~paper~~ without enhancing or refining the concepts contained in the assignment. Submitting an exact copy of work, *or any portion of work,* previously submitted in another course may *adversely* affect one's grade ~~adversely~~ *and*/or *be* considered a violation of the Student Community Standard of Integrity.

Plagiarism: *Plagiarizing denies the student the opportunity to develop as an ethical and conscientious human being.* Representing the words or ideas of another as one's own in any academic exercise. This definition includes draft assignments that are submitted and graded as a part of the curriculum. Plagiarism occurs when a student deliberately uses the ideas, language, or ~~another~~

~~writer's original~~ material (that is not common knowledge) without acknowledging the *original* source. The use of materials, including printed or online texts, as well as the work of others, can be considered plagiarism when presented as one's own work. ~~Plagiarizing denies the student the powerful opportunity to develop as an ethical and conscientious human being. Herein rests the greatest reason not to plagiarize.~~

Acts of plagiarism include, but are not limited to:

- Copying text from printed materials, which include books, magazines, encyclopedias, newspapers, *online sources,* etc., *without proper citation*;
- The modification of text with the intent of changing ~~verbiage~~ *phrases*, changing words, or interspacing the student's work into the plagiarized work;
- "Copy and paste" plagiarism, which involves copying and pasting materials from Internet sources and presenting them as one's original work;
- The use ~~and representation~~ of another student's work ~~as one's own~~, even if the student has the permission of the other student. The use of another's work constitutes an act of collusion, which constitutes an act of plagiarism;
- The use of materials purchased from Internet or ~~other outside sources~~ *elsewhere*; or
- *Recycling a previously submitted assignment for a current course, but representing the assignment as original work.*
- Paraphrasing or summarizing another's work without giving appropriate credit.

The following exceptions to variations on recycling are allowed by Ashford:

- *If a student wishes to repurpose work from a past course for a current course (for example, using work from PSY 202 in PSY 301), that student may do so only if all of the following criteria are satisfied:*

  - *Instructor permission is granted. Not all instructors grant this permission.*
  - *The student emails the current instructor a copy of the originally submitted student work that they wish to repurpose prior to submitting an assignment that contains the recycled material. This submission includes the start date of the course where the material was originally used. The instructor may then provide written approval of the re-submission.*
  - *The reused material is properly attributed in terms of "self-citing" in the submitted document.*
  - *The student substantially enhances and refines what was submitted previously.*

- *A student may resubmit, without penalty, classwork from a previously unsuccessful attempt at a course in a second or subsequent attempt at the same course if University credit has not previously been earned in the course. An unsuccessful attempt is defined as failing the course, earning a grade of W or N/A, failing to meet the grade necessary to satisfy a general education competency, or failing to meet the grade for the course required by your degree program. However:*

  - *The student must inform the current course instructor of this reuse of content prior to submission of the reused material.*

Specific Policies on Academic Plagiarism, Consequences for Academic Dishonesty

A student who commits an act of academic dishonesty may face disciplinary action, including but not limited to: failure to receive credit on an academic exercise, course failure, and/or dismissal from the University. Ashford University may also extend its jurisdiction to misconduct that occurs prior to, but not reported until after the graduation of the offending student. There is ~~no time limit on reporting~~ *statute of limitations for* violations of the Academic Integrity policy.
The student may be asked to meet for either an Informal Hearing or a Formal Hearing (Students

30

Community Standards Committee). Student Affairs will not reconsider the issue of student responsibility as determined by the Academic Integrity Department (online modality) or the College Dean (Clinton Campus modality), but will only determine appropriate sanctions to be applied. ~~up to and including removal from the University.~~

Page 32
Revision, Effective 9/9/15
Specific Policies on Academic Plagiarism, Avoiding Plagiarism
Address any questions regarding plagiarism to the course instructor. Students should be aware that Ashford University instructors utilize *Turnitin, an educational tool that helps prevent or identify plagiarism from Internet resources.* ~~anti-plagiarism resources to determine the originality of submitted written work. These tools compare students' work with texts available in internal databases and through Internet searches.~~ *This tool compares students' work with texts available in Ashford University's internal database as well as any assignment submitted to Turnitin.*
Turnitin has the potential to be a positive instructional tool for teaching students about academic integrity and plagiarism. Before submitting their assignments to the classroom for grading, students have the ability to upload their assignments into Turnitin and run their own originality reports, which identify areas of the student's assignment that match published information accessible to Turnitin. In addition to seeing those same matches to published information, the instructor's Turnitin report will also identify matches to papers previously submitted to Turnitin and found within the Turnitin paper repository. Only Turnitin reports run by course instructors will show the matching percentages to previously submitted papers to Turnitin; students' Turnitin reports will not show matches to other student papers that have been submitted to Turnitin. Therefore, the percentage rate of the student's originality report may differ from the instructor's originality report. It is the expectation of all

Ashford University students that they will submit original and properly cited coursework.

Conspiracy to Commit Fraud Against the University
When members of groups, individuals acting in collusion, or members of an organization act in concert in violation of this policy, they may be held accountable as a group. To prevent fraud, *the Associate University Registrar may permanently deny an applicant's admission to the University, or* the Dean of Student Affairs (campus)/Director of Student Development & Engagement (online) may, in lieu of Student Community Standards proceedings, impose individual and/or group sanctions up to and including immediate expulsion from the University, subject to appeal, upon a determination of student involvement in such behavior. Determinations will be made with respect to the involvement of each accused individual. In most circumstances, Ashford University will treat attempts to commit any of the violations listed previously as if those attempts had been completed. *Ashford University reserves the right to refuse admission to any applicant whose behavior is deemed inappropriate.*

Leader Development Grant
Ashford University offers the Leader Development Grant (LDG) to students selected and sponsored by a participating ~~Third-Party Agency~~ *Employer*. The LDG program is funded by both ~~the Third Party Agency~~ *Employer* and Ashford University. This grant is intended to help students avoid educational loan debt by funding a recipient's direct education-related costs. Direct education-related costs include tuition for all eligible courses (limited to two repeated courses), Technology Fee (per course), books, course digital materials, instructional materials, graduation fee, and Prior Learning Assessment (PLA) fees. If both electronic and hard copy course materials are available for the same course, the LDG program will only fund the electronic course materials, and if a student chooses to receive hard copy course materials, the student will be responsible to pay the difference in price and shipping costs. As such, the Leader Development Grant is only available as a primary payment option. *The Leader Development Grant is not available as a payment option for students in the Master of Arts in Education, Instructional Practice specialization.*

Students who choose to participate in the LDG program are not able to receive funding from the federal student financial aid programs (such as Pell Grant and Direct Loans); this is a condition of participation in the LDG program. The choice to participate in the LDG program is optional and any eligible federal student financial aid is always available to students who choose that payment option in lieu of participation in the LDG program. Students will become ineligible for the LDG program if they choose to receive funds from any federal student financial aid program for the same enrollment period.

Students will become ineligible for the LDG if they receive more than two (2) unsuccessful grades (defined as an "F," "WF," "W," or for General Education Competency courses, below a "C-") during their program of study or if they violate University policies as outlined in the Ashford University Academic Catalog. Students must also abide by all applicable Undergraduate Program Satisfactory Academic Progress (SAP) Standards or Graduate Program SAP Standards. Students are always expected to understand, meet, and abide by any ~~Third Party Agency~~ *Employer* requirements in order to continue to receive ~~Leader Development Grant~~ LDG benefits. Ashford University or ~~Third Party Agency~~ *Employer* may remove a student from ~~the Leader Development Grant~~ *LDG* at any time.

Students may appeal the loss of their LDG eligibility to the Leader Development Grant Review Committee, which consists of at least an Ashford representative and a representative from the ~~Third Party Agency~~ *Employer*. Concurrent enrollment, defined as the enrollment in more than one class in every five (undergraduate) or six (graduate) week module, is prohibited for LDG recipients, unless pre-approved on a case-by-case basis by the Leader Development Grant Review Committee.

All required ~~Leader Development Grant~~ *LDG* forms (detailed below) must be completed, submitted, and approved prior to application for each new participating student. *In addition, the LDG Waiver and Disclosure Form and the Net Price Calculator Results must be re-submitted every twelve months to*

34

continue participation. The LDG *benefits continue as long as (1) students continue to meet Employer's eligibility requirements, (2) students have not completed their degree (continuation will require a new application), and (3) students do not elect to discontinue participation in the LDG program.* ~~must be renewed every twelve (12) months in order for the student to continue to receive LDG benefits.~~ ~~Continuing~~ *Students* must send all required forms to their assigned Student Advisor for verification at least seven (7) days prior to the start of classes. ~~in the applicable 12 month period.~~

The University provides a matching grant in conjunction with the funding provided by the ~~Third Party Agency~~ *Employer*. The ~~Third Party Agency~~ *Employer* must supply a qualified tuition benefit for their students to be eligible for the University LDG match. Failure of the ~~Third Party Agency~~ *Employer* or student to supply any required payment may result in loss of LDG benefits for the grant recipient.

Documentation required for the Leader Development Grant:
- Leader Development Grant Agreement (executed between the University and ~~Third Party Agency~~ *Employer*);
- Leader Development Grant Disclosure and Waiver *(must be completed annually);* Student Leader Development Grant Acknowledgement;
- Student Finance Agreement indicating Leader Development Grant Authorization to Release Student Records;
- Leader Development Grant Student Payment Authorization (if applicable); and
- Net Price Calculator Results, Shopping Sheet, and Data Summary *(must be completed annually).*

Military Tuition Assistance Plan

Ashford University is approved for active duty Military Tuition Assistance. Students are expected to submit Tuition Assistance (TA) vouchers to the Tuition Assistance Administrator prior to the start of each course. *TA is applied only to tuition and reimbursable fees.* Any tuition and applicable fees not covered by the TA program must be paid prior to the start date of each course. TA forms, vouchers, and questions should be directed to MilitaryTA@Ashford.edu. Failure to have a voucher on file with Ashford prior to the corresponding course may result in being administratively removed from the scheduled course.
Ashford University does not conduct automatic program renewals or bundle courses or enrollments for purposes of TA approval. The student and military service must approve each course enrollment before the start date of the class.

Ashford University Military Grant
Online Undergraduate Students: Students enrolled in an online undergraduate program may be eligible for the Ashford University Military Grant. Eligible students include Active Duty, National Guard, Reservists, spouses of Active Duty, National Guard, and Reservists, students using VA Education Benefits, Department of Defense employees, Veterans Affairs employees, and Civilian employees of the United States Coast Guard. Veterans of the US Armed Forces must be certified for VA benefits through the US Department of Veterans Affairs and by Ashford University. Grants are only applied to an eligible student's account upon receipt of an approved VA certification. All other eligible students must provide the University with an approved *TA Authorization* form or appropriate verification of military service.

Grants are applicable to courses for which tuition is in excess of $250 per credit hour. For courses with tuition of $443 per credit hour, the grant is $193 per credit hour. In addition, this grant also covers the

35

Sales Tax, Technology Fees, and course materials required for an eligible student's program of study, including standard shipping costs where applicable, when purchased through Ashford University's bookstore or textbook partner. The cost of required electronic materials is also covered by the grant. When course materials are available in both electronic format and hard copy, students may opt to purchase a hard copy textbook and are charged the difference in cost plus shipping. *Students should refrain from purchasing course materials prior to confirmation of sufficient enrollments.* Military students who reside in a forward location may opt for a hard copy textbook at no additional charge.

Students who exceed 30 days of consecutive non-attendance and are not on an approved Academic Leave will be asked to recertify eligibility for the Ashford University Military Grant upon return by providing appropriate verification of military service.

Online Graduate Students: Students enrolled in an online graduate program may be eligible for the Ashford University Military Grant. Eligible students include Active Duty, National Guard, Reservists, spouses of Active Duty, National Guard, and Reservists, students using VA Education Benefits, Department of Defense employees, Veterans Affairs employees, and Civilian employees of the United States Coast Guard. Veterans of the US Armed Forces must be certified for VA benefits through the US Department of Veterans Affairs and by Ashford University. Grants are only applied to an eligible student's account upon receipt of an approved VA certification. All other eligible students must provide the University with an approved *TA Authorization* form or appropriate verification of military service.

StraighterLine Tuition Grant
Ashford University is proud to be a scholarship partner of StraighterLine, a low-cost provider of self-paced, competency-based online courses.

Ashford University offers a tuition grant to students who successfully complete 12 college-level credits at StraighterLine and matriculate into an online undergraduate program at Ashford. To determine eligibility, students must submit an official transcript to the Ashford University Registrar's Office, showing successful completion of 12 college-level StraighterLine credits in order to be eligible for the grant. For eligible students, a 15% tuition grant will be applied to tuition charges for 8 attempted courses from the date the student is determined to be eligible. The tuition grant will only

apply to future tuition charges and is not retroactive.

Ashford University is also an articulation partner of StraighterLine. StraighterLine courses are evaluated for credit by the American Council on Education (ACE) and are accepted in transfer by Ashford University. The transfer guide can be found on the Ashford University website in the Non-Traditional Credits section. This guide outlines which StraighterLine courses are equivalent to Ashford University courses. Remedial/developmental coursework is not transferrable to Ashford University and students should not complete courses they have previously completed as these may be considered duplication. StraighterLine credits are considered non-traditional. Please see the General Transfer Credit Provisions and Limitations section of the Academic Catalog for more information.

Ashford University Alumni Tuition Grant
Students who graduate from an Ashford University or University of the Rockies degree program and enroll in an online Ashford University or University of the Rockies degree program qualify for an Alumni Tuition Grant.

Students who qualify for the Alumni Tuition Grant must successfully complete four attempted courses after matriculation into an undergraduate degree program or three attempted courses after matriculation into a graduate degree program. The tuition grant will then be applied to the student's account in the amount of tuition charged for the fifth or fourth attempted course to apply to the cost of the course, depending on the student's degree program. *Once the grant is applied to the student's account, a student is not eligible for an additional grant until he/she graduates from another*

University of the Rockies or Ashford University degree program and meets admissions requirements to enroll in a subsequent degree program.

Alumni who paid a one-time Technology Services Fee (between $250 and $1,290) will also have each course's Technology Fee waived.

Schedule Changes, Program Changes, and Course Cancellation

38

Ashford University may cancel or postpone courses or programs as deemed necessary by the University. In such situations, the University will *notify impacted students and return applicable tuition and fees to the appropriate entity. In addition, the University will* work with students in an effort to provide them with the opportunity to reschedule or to transfer to a comparable University course or program, if available. Any payments made for canceled courses will be refunded or will be applied to another University course or program.

Completion of Additional Master's Degrees
A student who has previously earned a Master's degree at Ashford University, or from a regionally or approved nationally accredited institution, and wishes to earn an additional Master's degree must fulfill all degree and graduation requirements applicable to the additional degree. Students who completed a Master's degree from countries other than the United States must have their degree evaluated by an approved evaluation service, and accepted by Ashford University, as equivalent to a Master's degree in the United States. Any credits applied to a previously awarded degree cannot be applied to a subsequent degree. If a student has completed coursework that fulfills content requirements for the second Master's degree, the student must complete additional courses to fulfill total credit requirements for the additional degree. Completion of an additional area of specialization within the same degree does not qualify for a second degree. For Ashford University graduates, a Forbes School of Business additional Master's degree cannot duplicate specializations with the prior Master's degree. The additional Master's degree must be taken with a new advanced sequence or a new specialization. *Graduates from the Master of Arts in Education program with a non-Instructional Practice specialization cannot enroll in the Master of Arts in Education, Instructional Practice specialization.*

Modality Only**

41

Course digital materials (CDM) refers to all course-specific educational materials and resources provided directly to the student via the online classroom. Course materials include essential readings, audio and video assets, interactive exercises, and other digital supplements. CDMs offer a more dynamic, interactive, and robust set of resources for student learning in the online modality. For courses in which course digital materials are provided in lieu of textbooks, ~~an~~ ~~$85.00~~ a fee (CDM fee) is applied directly to the student's account concurrent with the charge for tuition. Students are not charged the CDM fee for repeated coursework if previously charged. CDM fees are fully refundable if a student does not attend beyond Week 1 of a course (Week 3 if covered under the Ashford Promise Refund Schedule).

Conditional Admission Requirements for Online Associate of Arts Degree Programs
Applicants seeking admission to an online Associate of Arts degree program must meet the following admission requirements prior to the start of the first course at Ashford University:
~~1. Be 22 years of age or older or be exempt from this requirement by meeting one of the following criteria:~~
- ~~Has earned a minimum of 30 transferable credits* as defined by Ashford University transfer credit policies;~~
- ~~Has earned an Associate's degree or higher* from a regionally or approved nationally accredited institution;~~
- ~~Is seeking readmission to Ashford University after withdrawal from a degree program; or,~~
- ~~Is a current degree-seeking student at Ashford University requesting to change majors.~~

Due to the accelerated, adult-learner focus of the academic programs offered in the online modality, applicants under the age of 18 *generally will not be admitted.*

*Requirements for residents of *California,* Mississippi and Tennessee are outlined separately; please refer to Additional Admission Requirements for Residents of *California,* Mississippi and Tennessee.

Conditionally admitted students who ~~are denied~~ *do not achieve provisional or full* admission *status* after one attempt in the Ashford Promise, are allowed a second period of conditional admission in order to be provisionally or fully admitted~~, but~~.

Attendance in the first course is confirmation of a student's intent to matriculate and, therefore, constitutes an attempt. Subsequent withdrawal from the course or institution, whether administrative or student-initiated, concludes an attempt. Failing to meet Basic Academic Requirements (attaining a cumulative course grade of C- or better as of Day 6 of Week 3 in the first course) also concludes an attempt.

Students who fail to meet Basic Academic Requirements (BAR) are denied admission and are required to successfully complete the Student Success Orientation as a prerequisite to a subsequent attempt (if they have not already ~~taken~~ *successfully completed* it).

Students who are administratively withdrawn for failing to submit required Financial Aid documents during the conditional admission period are required to submit the required documents as a prerequisite to a subsequent attempt.

Ashford University reserves the right to deny admission or re-admission to any applicant. *Ashford University does not admit students based on an "ability to benefit" test.* Ashford University recognizes the importance of protecting student privacy and reserves the right to request documentation to establish or verify any student's identity at any time, for administrative or compliance purposes. Students are expected to provide such documentation, and failure to do so may be considered a violation of the Student Community Standards. The University may deny or rescind admission to any student for failure to authenticate his or her identity.

Transfer Credit Evaluation for
Online Associate's and Bachelor's Degree
Programs
Upon being granted provisional admission to an undergraduate degree program, the Ashford University Registrar's Office staff will begin requesting transcripts of a student's prior postsecondary education using the signed Transcript Request form.
The Registrar's Office will request official transcripts of all prior postsecondary education, as provided by the student in the application for admission, as well as any school appearing in the student's National Student Clearinghouse record. This includes:
o   *College or university transcripts from any regionally or approved nationally accredited postsecondary educational institution attended*
o   *Military credits evaluated for equivalency to college credits*

Students are responsible for submitting official documentation of any postsecondary credit previously earned through examination or credit earned through non-collegiate instruction to be evaluated for applicability to Ashford University program requirements.

Once transcripts of all prior postsecondary education have been received, the Registrar's Office staff will complete the student's transfer credit evaluation.

At the conclusion of the fourth (4th) attempted Ashford University course in a degree seeking program, if any transcripts of prior postsecondary education have not yet been received, the Registrar's Office staff will proceed with the transfer credit evaluation of any transcripts of postsecondary education received to date. The student is then admitted on Academic Watch due to failure to provide confirmation of a combined cumulative grade point average of 2.0 or higher in all prior postsecondary education. Additional transcripts may be submitted for evaluation at a later date, should they become available.

If it is determined prior to the conclusion of the fourth (4th) attempted Ashford University course that certain transcripts are unable to be provided, students may sign and submit an Authorization to Close File form thereby waiving potential transfer credits from previously attended schools, in order to expedite the transfer credit evaluation process. Any student who signs an Authorization to Close File form, thereby waiving potential transfer credits from previously attended schools, is admitted on Academic Watch due to failure to provide confirmation of a combined cumulative grade point average of 2.0 or higher in all prior postsecondary education. These transcripts may be submitted for evaluation at a later date, should they become available.

Students are responsible for reviewing their transfer credit evaluation as well as their scheduled courses with their Student Advisor and informing them of any courses that they feel are duplicative or equivalent in content to previously completed coursework or non-traditional learning.
Students may submit official transcripts to Ashford University for review of transfer credits at any time.

Full Admission Requirements for Online Associate's and Bachelor's Degree Programs
The following ~~provisions~~ *requirements* must be met prior to the conclusion of the fourth (4th) attempted Ashford University course in a degree seeking program. ~~Students who do not meet all requirements will not be fully admitted and will be withdrawn from the program. Students may be readmitted to Ashford University at such time that all requirements for full admission have been met.~~

- *Official TOEFL or IELTS scores, if required for admission.*
  - *Students that meet the English Language requirement with 30 transferable credits must submit the official transcript(s) where these credits were earned.*
- *Students who were provisionally admitted with completion of a two-year program from an appropriately accredited postsecondary institution as defined by Ashford University transfer credit policies must have official transcripts of those credits on file to meet full admissions requirements*

Note: Additional requirements for residents of *California*, Mississippi and Tennessee and for students seeking admission based on credentials earned outside of the United States are outlined separately.

Students for whom the aforementioned required documentation does not apply, are fully admitted at the time of their transfer credit evaluation, in accordance with the Transfer Credit Evaluation policy. Students with no history of postsecondary education are fully admitted upon successful completion of the Conditional Admission Period.

~~1. Submission of official transcripts from all postsecondary education previously attempted or a signed Authorization to Close form for any official transcripts the student is unable to provide. Postsecondary education includes all of the following:~~

44

- College or university transcripts from any regionally or approved nationally accredited postsecondary educational institution attended (The Ashford University Registrar's Office staff will manage the request of college transcripts using the student's signed Transcript Request form);
- Military credits evaluated for equivalency to college credits (The Ashford University Registrar's Office staff will manage the request of military transcripts using the student's signed Transcript Request form); and,
- Official documentation of any postsecondary credit previously earned through examination or credit earned through non-collegiate instruction the students intends to have evaluated for applicability to Ashford University program requirements (must be requested by the student).

Undergraduate degree-seeking transfer students must provide official documentation of an undergraduate cumulative grade point average (CGPA) of 2.0 in all combined undergraduate coursework attempted at regionally or approved nationally accredited colleges/ universities since high school, or he or she is admitted on Academic Watch. Any student who signs an Authorization to Close *File* form, thereby waiving potential transfer credits from previously attended schools, is admitted on Academic Watch as well due to failure *and failing* to provide confirmation of a cumulative grade point average *GPA* of 2.0 or higher, *is admitted on Academic Watch.* Students on Academic Watch are required to have achieved a cumulative *Ashford University* GPA of 2.00 and successfully complete 67% of credits attempted at the conclusion of the first Satisfactory Academic Progress increment.

Appeal of Dismissal Following Academic Watch
A student who has been dismissed for not meeting satisfactory academic progress requirements following Academic Watch may appeal to the University Registrar for re-admission. Appeals are evaluated by a committee comprised of the University Registrar or designee, and a representative from Academic Affairs. The decision of the Committee will be communicated in writing to the student by the Registrar's Office. Additionally, the student's appeal letter must include:

- *A reasonable explanation for the student's academic performance to date, which includes mitigating circumstances such as student injury/illness, death of a student's family member, or other reasons resulting in undue hardship to the student;*
- *Compelling evidence that they have the ability to succeed in an academic program due to changed circumstances, experience, and/ or successful completion of graduate-level credits during the period of absence; and*
- *A plan for completion of the coursework required to meet satisfactory academic progress during the following payment period.*

The passage of time does not substantiate eligibility for readmission or appeal for readmission, however, students who have experienced mitigating circumstances and have been dismissed from the University for failure to meet satisfactory academic progress requirements and have been denied re-admission after an appeal, may submit another appeal to be readmitted after one or more years have elapsed since their last appeal. The appeal must meet the criteria outlined above and the student must present compelling evidence that they have the ability to succeed in an academic program due to changed circumstances, experience, and/or successful completion of graduate level credits since the last appeal was submitted.

Satisfactory Academic Progress Standards
Undergraduate students must meet the following minimum qualitative and quantitative standards to make satisfactory academic progress:

- The Bachelor of Science in Health Information Management *and the Bachelor of Science in Nursing majors* requires a 2.50 minimum GPA standard for all major coursework attempted at the University.

General Transfer Credit Provisions and Limitations

Students are responsible for reviewing their scheduled courses with their Student Advisor and informing him or her of any courses that they believe are duplicative or equivalent in content to previously completed coursework or nontraditional learning. Students may submit official transcripts to Ashford University for review of transfer credits at any time. However, transfer credit and/or nontraditional credit is not retroactive. Credits submitted and evaluated will not be accepted if they are duplicative of course work already earned at Ashford University, through transfer of credit, or nontraditional credit. Students are fully responsible for any charges for duplicative coursework taken at Ashford University.

Ashford University's Registrar's Office maintains records of all previous education and training obtained from students as part of the initial transfer credit evaluation at enrollment. Any additional evaluation requested by students following enrollment is also maintained. The outcomes of all transfer credit evaluations completed are communicated to students and available for review on students' Degree Progress Reports available within their Student Portal.

Credits from the following institutions will be considered for transfer for Ashford University Non-

Competency General Education requirements if the course in transfer holds a grade of "C" or higher and is equivalent to at least three semester credits. All other transfer courses from the following institutions will be considered as fulfilling elective credit requirements in Ashford University programs.

- Council on Occupational Education (COE, formerly known as SACS-COEI);
- Accrediting Council for Continuing Education and Training (ACCET);
- Accrediting Bureau of Health Education Schools (ABHES); and
- Accrediting Commission of Career Schools and Colleges (ACCSC)

Credits earned toward a Vocational Diploma/Certificate or Diploma/Certificate will not be considered for transfer, *with the exception of a nursing (hospital) diploma.*

Credits from any institutions with whom Ashford University has current articulation agreements will be considered for transfer.

Residency Requirements in Associate's Programs
Students enrolling into an Associate of Arts degree program must successfully complete a minimum of eighteen (18) credits of Ashford University courses and all other program requirements for degree completion. Credits earned through Prior Learning Assessment are not included in the 18-credit calculation. *Students are not required to complete their final course toward degree completion at Ashford University.*

Provisional Admission Requirement for Online Graduate Degree Programs

Students must ~~meet the following requirement~~ *attend beyond Week 3 of their first course* in order to be provisionally admitted to a Master's degree program at Ashford University:

~~Attend beyond week 3 of their first course.~~

Attendance beyond Week 3 constitutes a student's confirmation of their intention to continue in the program as a regular student. Upon attendance beyond Week 3 of their first course, students are considered matriculated, regular students in their degree program. Students who meet the requirements for Full Admission will be fully admitted into the degree program.

Page 283

Addition, Effective 8/19/15

Transfer Credit Evaluation for Online Graduate Degree Programs

Upon being granted provisional admission to a graduate degree program, the Ashford University Registrar's Office staff will begin requesting official transcripts from schools where any graduate-level credit was earned, using the signed Transcript Request form.
This includes:

- *College or university transcripts from institutions where graduate credit was earned*
- *Military credits evaluated for equivalency to graduate-level college credits*

Once these transcripts have been received, the Registrar's Office staff will complete the student's transfer credit evaluation.

At the conclusion of the third (3rd) attempted Ashford University course in a degree seeking program, if any transcripts from institutions where graduate credit was earned have not yet been received, the Registrar's Office staff will proceed with the transfer credit evaluation of any transcripts received to date. Additional transcripts may be

submitted for evaluation at a later date, should they become available.

If it is determined prior to the conclusion of the third (3rd) attempted Ashford University course that certain transcripts where graduate credit was earned are unable to be provided, students may sign and submit an Authorization to Close File form thereby waiving potential transfer credits from previously attended schools, in order to expedite the transfer credit evaluation process. These transcripts may be submitted for evaluation at a later date, should they become available.
Students are responsible for reviewing their transfer credit evaluation as well as their scheduled courses with their Student Advisor and informing them of any courses that they feel are duplicative or equivalent in content to previously completed coursework.

Students may submit official transcripts to Ashford University for review of transfer credits at any time.

Transfer Credit Policy

Students who have earned graduate-level course credits prior to matriculation at Ashford University may be eligible to transfer up to nine (9) credits toward an Ashford University graduate-level degree. Additional credits may be accepted when offered under an agreement approved by Ashford University up to a maximum of 15 credits. Once admitted and/or matriculated into an Ashford University Master's program, students are not

permitted to take coursework at other institutions and transfer it into Ashford University, unless offered in an approved program or agreement.

Ashford University's Registrar's Office maintains records of all previous education and training obtained from students as part of the initial transfer credit evaluation at enrollment. Any additional evaluation requested by students following enrollment is also maintained. The outcomes of all transfer credit evaluations completed are communicated to students and available for review on students' Degree Progress Reports available within their Student Portal.

Ms. Schray,

CSAAVE is aware of the Iowa Department of Education's grant of stay, staying the withdrawal of approval for Ashford University in Iowa for an additional 90 days. As CalVet explained during our meeting on June 9, the activities and actions of Iowa's Attorney General, Department of Education, State Approving Agency, and/or the VA regarding Ashford University's approval status in Iowa are tangential to CSAAVE's ongoing review efforts of Ashford University's application for approval in California. Ashford's application for CSAAVE approval will be based on the institution's ability to demonstrate full compliance with all federal requirements in addition to the standards for approval in California.

CalVet is under contractual obligation to make application determinations within 30 days from the date a complete application is received. CSAAVE deemed Ashford's application complete for review on June 8, 2016; therefore, CSAAVE must make an approval determination of Ashford's application submission by July 8, 2016. Should Ashford University fail to demonstrate full compliance with all federal and state requirements by July 8, 2016, Ashford's application for approval will be denied. However, Ashford University retains the right to submit a new application to CSAAVE for consideration if this occurs.

Mr. Ferrebee:

ASH1596

Thank you for your response below. Ashford University is committed to continuing with the application for approval of its San Diego location. We are working to gather all of the information you requested in your June 17th letter as quickly as possible. In the meantime, I wanted to make sure that you were aware that on June 20th the Iowa Department of Education (IDOE) decided to continue its approval of Ashford University for an additional 90 days (to September 18, 2016) while CSAAVE considers Ashford's application. I have attached the letter from IDOE for your reference.

IDOE's decision provides us with some additional time to ensure that both the University and CSAAVE are not unnecessarily rushed through this complicated and important process. With this additional time, given the challenges that this time of year can present to all parties involved (government holidays, employee vacations, etc.), and with the importance of this process to our approximately 6,250 veteran students, we respectfully request that CSAAVE provide a few additional weeks for us to complete our submission. We believe that we can reasonably commit to providing the required documentation no later than Friday, August 5, 2016. At which point CSAAVE would still have six weeks to review and consider the additional materials before the conclusion of the stay granted in IDOE's June 20th letter.

Also, I believe that your offer in your June 17th letter for us to discuss these issues by phone or in person would be beneficial to this process. I believe that there may be some confusion as to the planned course modality and how that impacts some of the requested information in your letter. Having a conversation about how to best address CSAAVE's additional requests at your earliest possible convenience would greatly assist this process.

Given the short timing, we would appreciate a response regarding our request for an extension as soon as possible. We also look forward to discussing this matter with you in more detail as soon as your schedule permits. Can we find a time to discuss tomorrow or early next week?

Best regards,

Vickie

Hi Latanaya,

As you are aware, the catalogue we submitted to you is effective from July 1, 2015 – June 30, 2016. When you mentioned in your email below to submit a "proposed catalogue" are you willing to accept a draft catalogue until such time our new catalogue is ready for release? Please advise and we will be happy to provide it to you to help expedite your review and approval.

Is it possible to confirm a day/time for us to meet in person next week? I plan to be in Sacramento Wednesday afternoon – Thursday and would appreciate the opportunity to sit down with you and Keith. I understand from Kathy that she had submitted a meeting request to you both but would like to get something on the calendar if at all possible.

I look forward to hearing from you.

ASH1599

Hello Vickie,

Thank you for Ashford's responsiveness to CSAAVE's request for additional documentation/information in support of the institution's application. However, there still remains the issue of Ashford's catalog expiration on June 30, 2016.

Ashford must provide CSAAVE with a new catalog, if Ashford wishes to be considered for approval beyond June 30, 2016. The catalog must fully comply with state and federal laws and specifically outline available services, programs, and resources for the proposed San Diego campus. In order to avoid confusion, all references to programs and services offered at the Clinton, IA campus should be removed.

Please submit three copies of the proposed catalog, along with a signed copy of the attached True and Correct Statement form. Once received, CSAAVE can proceed with the review and approval process.

Subject:	Withdrawal of Pending Ashford University Application

Vickie,

This is to confirm your request for withdrawal of the application submitted to CSAAVE for initial approval of Ashford University, San Diego. Per your request, documents associated with the application will be returned to Ashford at the address of record.

As previously explained, the Code of Federal Regulations specifies school qualifications for institutions desiring to enroll veterans in eligible programs, including the requirement to submit an application to the appropriate state approving agency. Should Ashford University desire to apply for CSAAVE approval in the future, Ashford must submit a new application. Applications must include sufficient information and documentation to demonstrate that that the school and its proposed programs are qualified, at the time of submission. You may request a copy of the application by contacting CSAAVE at CSAAVEInfo@calvet.ca.gov, to ensure that you have the most current application forms.

There are definitely differences between CSAAVE's and Ashford's perception of the approval process, which is likely due to our responsibility as regulator versus applicant. CSAAVE is required by law to issue an approval, only when the school and its programs are found to have met the minimum criteria for approval. CSAAVE will not grant approval unless and until a California institution demonstrates full compliance with all applicable standards and requirements for approval.

Thank you for your desire to serve our California Veterans.

Shane and Latanaya:

Ashford University and CSAAVE share a common interest in serving our nations' veterans. As you know, we at Ashford University care deeply about our veteran students and have worked tirelessly to protect their education benefits and to ensure that those benefits are not disrupted.

Beginning with our May 25th letter, which provided CSAAVE with official notice of our intent to submit an application for approval, we have worked diligently to respond to all deadlines and requests for information.

Although we were informed on June 8th that our application was deemed complete, we have subsequently been asked to provide substantial supplemental information. Thus, respectfully, based on CSAAVE's own requests, we view our application as not "complete" at this time. As I noted in my previous emails, we continue to have questions regarding

1

ASH1601

CSAAVE's stated requirement that "all activities must be inside California's border," given that, at the present time, we are a primarily online institution that serves students all across the country, while also maintaining a residential teaching presence in Clinton, Iowa, until at least June 2017.

We appreciate that, in your email correspondence and June 17th letter, you offered to make yourself available to answer questions we may have. As you are aware, in each of our responses we have asked for time to meet with you either in person or by phone to get clarification and guidance. We did so to ensure that we could fully address CSAAVE's questions and thus demonstrate Ashford University's compliance with all applicable Title 38 regulations. Unfortunately, our requests for a meeting went unanswered, and I was only able to begin to address CSAAVE's questions and to explain Ashford University's structure and programs by traveling to Sacramento on June 28th. While the resulting meeting with Latanaya was helpful and much appreciated, given the late date and remaining open questions regarding what will be necessary to obtain CSAAVE approval (about which Latanaya was required to defer to Shane), our discussion was not sufficient to permit us to submit an application that we believe would be truly "complete" by today, tomorrow or even early next week. Given that fact (and the holiday weekend), even if we received responses to our remaining questions today, we do not reasonably see how CSAAVE could thoroughly review all of the relevant materials and conduct a site visit (which Latanaya said would be necessary) in time to issue a fully considered decision by July 8th.

Per our discussions beginning on June 6th, CSAAVE has made it clear that, while it would attempt to provide an approval decision on or before June 30th, CSAAVE's process typically takes between 60 to 90 days. Because IDOE granted our request to stay its withdrawal decision for 90 days, and given our need for further guidance and clarification, we respectfully requested an extension until August 5, 2016. CSAAVE recently indicated, however, that if the application remained pending, CSAAVE would have a contractual obligation to provide a decision on that application not later than July 8th.

Because CSAAVE has indicated that it must issue a decision by July 8th, and because CSAAVE has not yet responded to Ashford's inquiries, including its inquiry regarding the source of the requirement that essentially all staff members must be within California (which cannot be accomplished in a matter of days), we have no choice but to withdraw Ashford University's application, with the intent to resubmit on approximately August 5, 2016.

In the meantime, we are continuing to work diligently to provide the information requested in CSAAVE's June 17th letter in connection with our resubmission. To that end, Latanaya, I wanted to confirm my understanding of a few key points from our discussion on June 28th:

- Once an application is deemed complete, CSAAVE must consider it (and conduct a site visit) within 30 days. While full processing of an application can take 90 days, that timeframe is largely due to the need to confer with the federal VA.

- CSAAVE's review of an application does not provide the reviewer with substantive discretion in approving or rejecting an application. The review is conducted only to determine whether the application demonstrates compliance with BPPE standards, WASC standards, and the express requirements of the federal VA's regulations.

- CSAAVE understands that current regulations are not written to address institutions that only provide distance education programs; therefore, when it comes to demonstrating adequate space and equipment, among other items, the critical factor is whether the institution satisfies BPPE and WASC requirements. For these same reasons, CSAAVE understands that an institution that does not have a residential campus may commonly have faculty and staff located outside of California and that such personnel satisfy CSAAVE requirements, if they meet BPPE and WASC requirements.

- In the ordinary course, applications may be initially denied due to technical deficiencies or the need to provide supplemental information, and such initial denials are common. Institutions that receive such an initial denial may immediately resubmit an updated application and continue the process to obtain CSAAVE approval.

2

Please let me know if anything about my summary is inaccurate or if you have any further thoughts regarding our conversation or Ashford University's application.

Thank you again for your assistance. We look forward to continuing our discussions with you, and we look forward to resubmitting Ashford University's application on approximately August 5, 2016, once those discussions are complete.

Vickie

Hello Vickie,

The Code of Federal Regulations specifies school qualifications for institutions desiring to enroll veterans in eligible programs, including the requirement to submit an application to the appropriate state approving agency. Applications must include sufficient information and documentation to demonstrate that that the school and its proposed programs are qualified, at the time of submission. CSAAVE may provide an institution with an opportunity to submit clarifying and/or additional information and documentation to demonstrate qualification. CSAAVE is required by law to issue an approval, only when the school and its programs are found to have met the minimum criteria for approval. CSAAVE will not grant approval unless and until an institution can demonstrate full compliance with all applicable standards and requirements for approval.

CSAAVE's interest and responsibility is to ensure that Title 38 beneficiaries are able to make full and best use of their earned GI Bill benefits at an approved qualified institution.

Good Morning Latanaya:

Thank you again for taking the time to meet with me yesterday. I appreciate the insights you provided into CSAAVE's process and requirements. As we discussed, Ashford's focus in this process is on continuing to provide uninterrupted educational opportunities to our veteran students.

I wanted to follow up immediately on one critical item so that I am certain I am not missing anything important and that my memory is not inaccurate.

During our discussion, you indicated that June 30th is not a hard deadline and that a submission after that date would still be considered so that a decision could be issued by July 8th (which is the contractual deadline). I understand that a submission that is much later than that date could provide practical issues regarding CSAAVE's ability to review prior to the July 8th deadline, but would not itself be problematic.

Is my recollection accurate?

Thank you again for taking the time to meet with me yesterday. I appreciate the insights you provided into CSAAVE's process and requirements. As we discussed, Ashford's focus in this process is on continuing to provide uninterrupted educational opportunities to our veteran students.

I wanted to follow up immediately on one critical item so that I am certain I am not missing anything important and that my memory is not inaccurate.

During our discussion, you indicated that June 30th is not a hard deadline and that a submission after that date would still be considered so that a decision could be issued by July 8th (which is the contractual deadline). I understand that a submission that is much later than that date could provide practical issues regarding CSAAVE's ability to review prior to the July 8th deadline, but would not itself be problematic.

Is my recollection accurate?

Thank you for your assistance.

Mr. Ferrebee:

Thank you for your quick response to my email. First, I would like to reiterate my request for a meeting or a phone call at your earliest convenience. I can be available at your convenience today, over the weekend, or early next week.

Also, can you provide me with some additional details regarding CSAAVE's 30-day contractual obligation? I understand that SAAs are obligated to process **complete** applications in a timely manner, but that the contractually required timeframe does not begin until the application is, in fact, complete. In your June 17th letter, you indicated that Ashford's application contained "deficiencies" and that, based on that application, CSAAVE was "unable to determine" multiple critical pieces of information (for example the modality of the courses at issue). It is also our understanding that it is common practice for SAAs to "toll" this timeframe or to only start the clock running upon receiving all information necessary to review and to process the application.

I understand that CSAAVE may have initially thought Ashford's application was complete on June 8th. However, based on your June 17th letter, in fact, under CSAAVE's standards, the application would properly be characterized as incomplete.

Therefore, Ashford is requesting that CSAAVE reconsider its determination and characterize Ashford's application as "incomplete" until we are able to provide you with the additional requested information. We are working diligently to compile that information and, as I stated in my email yesterday, I believe that we can provide you with all of that information no later than August 5th.

I also believe that a conversation to discuss your questions would be mutually beneficial to ensuring that CSAAVE has all of the information it needs to properly review Ashford's application. I hope you will have time for a meeting or a phone call.

I look forward to hearing from you.

Ms. Schray,

CSAAVE is aware of the Iowa Department of Education's grant of stay, staying the withdrawal of approval for Ashford University in Iowa for an additional 90 days. As CalVet explained during our meeting on June 9, the activities and actions of Iowa's Attorney General, Department of Education, State Approving Agency, and/or the VA regarding Ashford University's approval status in Iowa are tangential to CSAAVE's ongoing review efforts of Ashford University's application for approval in California. Ashford's application for CSAAVE approval will be based on the institution's ability to demonstrate full compliance with all federal requirements in addition to the standards for approval in California.

2

CalVet is under contractual obligation to make application determinations within 30 days from the date a complete application is received. CSAAVE deemed Ashford's application complete for review on June 8, 2016; therefore, CSAAVE must make an approval determination of Ashford's application submission by July 8, 2016. Should Ashford University fail to demonstrate full compliance with all federal and state requirements by July 8, 2016, Ashford's application for approval will be denied. However, Ashford University retains the right to submit a new application to CSAAVE for consideration if this occurs.

Mr. Ferrebee:

Thank you for your response below. Ashford University is committed to continuing with the application for approval of its San Diego location. We are working to gather all of the information you requested in your June 17th letter as quickly as possible. In the meantime, I wanted to make sure that you were aware that on June 20th the Iowa Department of Education (IDOE) decided to continue its approval of Ashford University for an additional 90 days (to September 18, 2016) while CSAAVE considers Ashford's application. I have attached the letter from IDOE for your reference.

IDOE's decision provides us with some additional time to ensure that both the University and CSAAVE are not unnecessarily rushed through this complicated and important process. With this additional time, given the challenges that this time of year can present to all parties involved (government holidays, employee vacations, etc.), and with the importance of this process to our approximately 6,250 veteran students, we respectfully request that CSAAVE provide a few additional weeks for us to complete our submission. We believe that we can reasonably commit to providing the required documentation no later than Friday, August 5, 2016. At which point CSAAVE would still have six weeks to review and consider the additional materials before the conclusion of the stay granted in IDOE's June 20th letter.

Also, I believe that your offer in your June 17th letter for us to discuss these issues by phone or in person would be beneficial to this process. I believe that there may be some confusion as to the planned course modality and how that impacts some of the requested information in your letter. Having a conversation about how to best address CSAAVE's additional requests at your earliest possible convenience would greatly assist this process.

Given the short timing, we would appreciate a response regarding our request for an extension as soon as possible. We also look forward to discussing this matter with you in more detail as soon as your schedule permits. Can we find a time to discuss tomorrow or early next week?

RE: *Stay of Decision*

      I am writing in response to your request of June 16, 2016, which sought a stay of the Iowa Department of Education's Decision to withdraw approval of academic programs for GI Bill Benefits effective June 30, 2016. In your letter you requested an immediate stay of our decision to be effective until June 1, 2017.

      After careful consideration of the issues and the impact this will have on our student veteran population, we have decided to issue a stay of Iowa's withdrawal of approval effective immediately for a maximum of ninety days from the date of this letter or until the California State Approving Agency completes its review and issues a decision regarding the approval of Ashford in California — whichever is soonest. An additional extension of time will only be considered under extenuating circumstances.

      This does not change the Department's position with respect to our lack of authority to approve Ashford's online programs. Under 38 C.F.R. § 21.4250(a)(3) if an educational institution offers a course by correspondence or independent study, rather than a resident course, only the State approving agency for the state where the educational institutions main campus is located may approve the course for VA training. It is undisputed that Ashford's Main Campus for Online programs is located in San Diego, California.

      We are granting a stay for benefit of our student veterans. Ninety days is more than sufficient time for California to issue a decision. We strongly urge both you and California to complete this process in a timely and efficient manner to ensure the continuity of benefits and education for our student veterans.

Hi Vickie,

Ashford must submit documentation, as issued by WASC, identifying the programs approved at the San Diego campus. Ashford must also submit to CSAAVE a current Approved Program List, as issued by the BPPE, identifying the programs approved at the San Diego campus. Finally, Ashford must identify which of the WASC/BPPE approved programs are offered at the proposed San Diego campus. CSAAVE will not consider for approval any program or course not offered entirely by the proposed San Diego campus.

Regarding the organizational chart, Ashford must provide sufficient information to demonstrate it employs qualified directors, administrators and faculty at the proposed San Diego campus, in order to comply with 38 CFR 21.4253(d)(8).

Per CSAAVE's notification to Ashford dated 6/17/16 concerning the Initial Application for Approval, Ashford must submit all required materials and documents in one single mailing to CSAAVE by June 30, 2016. Once all required materials and documents are received, in one single mailing, CSAAVE will begin its review. If CSAAVE determines that the information submitted with the Initial Application constitutes full compliance with all applicable approval standards, CSAAVE will perform an onsite visit at the proposed San Diego campus to determine final approval.

CSAAVE will issue final determination for approval of Ashford University by July 8, 2016. Should Ashford fail to demonstrate full compliance with all applicable approval standards by July 8, 2016, CSAAVE will issue a Denial of Approval. Should Ashford desire to be reconsidered for CSAAVE approval, Ashford will be required to submit a new application.

CSAAVE looks forward to working with Ashford as we proceed through the application process. If you have any further questions, please feel free to contact me.

Good Afternoon Shane & Latanaya –

This email acknowledges Ashford University's receipt of the CSAAVE's letter dated Friday, June 17 responding to our application for approval.

We are in the process of compiling the supplemental responses to your questions but have a couple of clarifying questions that we wish to ask.

In terms of Section 3 and Section 5, CSAAVE requests a single listing of approved programs. I have attached the program approval documentation from both BPPE and WSCUC that we had originally submitted as part of our application. We are unclear as to what you mean by an "approved program list." Are you looking for a list of approved programs on agency letterhead?

Also, you had requested an organization chart for the university. We assume you are looking for an org chart that includes the senior positions in the organization. Please advise.

As always, feel free to reach out if you have any questions or would like to discuss.

RE: Application for Change in Educational Objectives #27896 Approved-- School Code 57064558

Dear Mr. Pattenaude:

The Bureau for Private Postsecondary Education (Bureau) completed the review of application #27896, Application for Change in Educational Objectives. The review included your application and supporting documentation received on November 7, 2014. The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

Approval to add the following program has been granted effective December 29, 2014:

* Master of Science in Criminal Justice (Distance Education)

Enclosed for your records is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional information or have questions, please contact Andrea Flores at (916) 576-2397 or by email at andrea.flores@dca.ca.gov.

- Bachelor of Education Studies – Single Subject Credential – 124 Credits

Enclosed for your records is the Approved Educational Program List for your institution. Please
post this approval information in a prominent location so prospective students and other
interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of
the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of
monitoring compliance with the provisions of the California Private Postsecondary Education Act
of 2009. Any failure to maintain compliance could affect your institution's approval status and
could result in disciplinary action by the Bureau.

If you require additional information or have questions, please contact Kimberly Harris at (916)

RE: Application for Change in Educational Objectives #29203 Approved– Institution
Code 57064558

Dear Ms. Livengood

The Bureau for Private Postsecondary Education (Bureau) completed the review of application #29203, Application for Change in Educational Objectives. The review included your application and supporting documentation received on April 22, 2016. The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

This approval is coterminous with the institution's term of accreditation granted by the Western Association of Schools and Colleges, Accrediting Commission for Senior Colleges and Universities (WASC).

Approval to add the following program has been granted effective April 27, 2016:

- Master of Instructional Design & Technology-DE – 36 Credit Hours

Enclosed for your records is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional information or have questions, please contact Kimberly Harris at (916) 431-6918 or by email at Kimberly.Harris@dca.ca.gov.

Sincerely,

JEFF MACKEY, Manager

RE: Application for Change in Educational Objectives #27584 Approved– School Code
57064558

Dear Kimberly Bingaman:

The Bureau for Private Postsecondary Education (Bureau) completed the review of application #27584, Application for Change in Educational Objectives. The review included your application and supporting documentation received on August 4, 2014. The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

Approval to add the following program has been granted effective August 22, 2014:

- Master of Accountancy - DE

Enclosed for your records is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional information or have questions, please contact Kimberly Harris at (916) 431-6918 or by email at Kimberly.Harris@dca.ca.gov.
Sincerely,

JEFF MACKEY, Manager

RE: Application for Change in Educational Objectives #27373 Approved– School Code 57064558

Dear Kimberly Bingaman:

The Bureau for Private Postsecondary Education (Bureau) completed the review of application #27373, Application for Change in Educational Objectives. The review included your application and supporting documentation received on June 4, 2014. The Bureau determined that your request complies with the minimum standards contained in the California Education Code and the California Code of Regulations.

Approval to add the following program has been granted effective June 9, 2014:

- Bachelor of Science in Health Information Management (BSHIM) – 120 Credits

Enclosed for your records is the Approved Educational Program List for your institution. Please post this approval information in a prominent location so prospective students and other interested parties are aware of your approval to operate.

Your institution is required to maintain compliance with the Education Code and Regulations of the Bureau. The institution is subject to review by the Bureau staff at any time for the purpose of monitoring compliance with the provisions of the California Private Postsecondary Education Act of 2009. Any failure to maintain compliance could affect your institution's approval status and could result in disciplinary action by the Bureau.

If you require additional information or have questions, please contact Kimberly Harris at (916) 431-6918 or by email at Kimberly.Harris@dca.ca.gov.

Sincerely,

ERICA SMITH, Manager
Licensing Unit
