Please accept this third party comment regarding ACICS:

We ask you to please review the following two letters regarding ACICS. The concerns of Veterans and Military Service Organizations regarding ACICS still stand:

- [30 Veterans and Military Service Organizations ask the Education Department not to reinstate ACICS](#) (Feb. 2018)
- [9 Veterans and Military Organizations Write Regarding the Renewal of ACICS as an Accreditor](#) (2016)

We also ask you to please review this very short report regarding student outcomes at ACICS schools:

- [Student Outcomes at Colleges Approved by the Accreditor ACICS](#) (Oct. 2018)

In case you have trouble clicking on these, I have also attached the PDFs.

Thank you very much for your time.
